

How to Unbottle the Perfect Iced Tea

Ingredients:

4 cups of fresh water

4 Salada Green Tea bags or 1 Salada Family Size Green Tea bag

Directions:

1. Bring four cups of fresh cold water to a boil.

2. Let the water cool for one minute.

3. Place 4 Salada Green Tea bags or 1 Salada Family Size Green Tea bag in your teapot.

4. Let it steep for 5 minutes.

5. Pour into an ice-filled pitcher or chill in a reusable water bottle and enjoy!

Recipe as shown yields approximately 32 fl. oz.
